An appreciation

Clearly, Tommy's scientific career was a long, eventful and exciting one He had the foresight to select a subject which was just about to 'take off' in the late 1920s, and he pursued it with vigour and imagination He will also be remembered as one who loved company, and as a family man who was devoted to his Irish wife Jane, and his four

Upton St Leonards Life

The Birchall family paid for the building of the Village Hall, in memory of the brothers Percy and Vivian who were killed in the fighting, and their younger brother John who died at school in 1918 Just like the war memorial, the project was done in double quick time - it was completed by spring 1920 and opened on 10 April of that year

Testing The Current final txt - The New York Review of Books

tommy's growing awareness of the adult world takes place at a fortuitous time The year is one we still think about, 1939, the end of auden's "low dishonest decade" The depression has wrought exten-sive harm, but in tommy's rich world its effect is more fickle, plague-like, bankrupting one family while sparing the next social norms
